Public & No-Cost Evaluation Pathways

These public pathways can help families access free developmental screening and/or evaluation services. The right starting point depends on your child's age and whether they are enrolled in public school.

Child Find — Palm Beach County

FDLRS Alpha

Free developmental screening and referral for further evaluation when indicated for children ages 3–5 who are not yet enrolled in a school district program.

CONNECT **(561) 434-7337**

Child Find — St. Lucie & Indian River Counties

FDLRS Galaxy

Free developmental screening and referral for further evaluation when indicated for children ages 3–5 who are not yet enrolled in public school.

CONNECT **(772) 429-4601**

Children under age 3 — Florida Early Steps

Evaluation and early intervention services for infants and toddlers with developmental concerns.

CONNECT **1-800-218-0001**

See also the BRITE ABA **Early Intervention Programs Resource Guide**.

Children enrolled in public school — District ESE evaluation

Start with your child's school to request an evaluation through the district's Exceptional Student Education (ESE) process.

See the BRITE ABA School District ESE Resources Guide for district contacts.
